

T2025 TIME FOR CHANGE: Traffic Safety for a Sustainable World – Preliminary Program

Sunday 15, 2025	
Time	Venue Reception: Panorama Congress
2:00 PM – 6:30 PM	Registration
	Main Conference Room
	ICADTS Workshop
	Title: Cannabis and Driving: Unraveling the Science and Policy Impact
	Welcome & Introduction - 10 min
	Polls & discussion
	1. Impaired Driving: Insights from Research - 30 min - Epidemiological Evidence: Key statistics and trends on cannabis-related impaired driving. (<i>Jeff Brubacher</i>) - 15 min - Experimental Studies: Effects of cannabis on driving performance and cognitive function. (<i>Eef Theunissen</i>) - 15 min
	2. Risk Perception and Cannabis Use - 30 min - Risk perception, personality, and driving behavior (<i>Christine Wickens</i>) - 15 min - Recreational vs. Medical Users (<i>Thomas Arkell</i>) - 15 min
3:00 PM – 6:00 PM	Break
	Welcome back - 10 min
	Polls & discussion
	3. Detecting Cannabis-Induced Impairment - 15 min Impairment vs. Detection: Challenges in correlating THC levels with actual impairment. (<i>Luke Downey</i>) - 15 min
	4. Driving Change: The Role of Policies in Combating Impaired Driving - 45 min - Translating Research into Policy: How current research influences traffic safety regulations. (<i>Ryan Smith</i>) - 15 min - Impact of Recent Policy Changes: 1) Canada (<i>Ignacio José Nazif-Munoz</i>) 15 min; 2) Germany (<i>Anja Knöche</i>) - 15 min
	5. Panel discussion & closing remarks (<i>All</i>) - 15 min
6:30 PM – 9:30 PM	Sunset Ice Breaker and Get-Together
	Lupper Social Networking Program - (Registration is Mandatory)
	Animation: Experience the vibrant Folkloric Dance Group of Acipreste, showcasing traditional costumes and Portugal's rich cultural heritage. This engaging performance highlights regional customs and serves as the perfect icebreaker, fostering interaction and connection among attendees.

I - Monday 16, 2025 Morning			
Time	Venue: Panorama Congress		
8:30 AM	REGISTRATION & NETWORKING		
9:00 AM 9:45 AM	OPENING CERIMONY ICADTS T2025		
9:45 AM- 10:30 AM	Invited Speaker Ms Luciana Iorio Chair of the Global Forum for Road Traffic Safety / UNECE WP1 "Global Forum joint initiatives to create a culture of Risky Behavioural policies replicable across UN regions in the field of Drink Driving Behaviours."		
10:30 AM- 11:00 AM	Coffee Break and Sponsors Exhibition		
	Conference Main Room	Conference Room 1	Conference Room 2
11:00 AM 12:30 P M	Topic: 6 - Impaired Driving Prevention Strategies Symposia ID: 162 R Impaired driving and public health in the Canadian context Chair: Christine Wickens Co-chair: Brice Batomen Speaker 1: Nazif-Munoz, Ignacio "Rethinking Road Safety Metrics: Cannabis Sales as a Methodological Proxy for Drug- and Alcohol-Related Collisions in Québec" Speaker 2 : Colonna, Robert "A Brief Smartphone Intervention to Reduce Cannabis-Impaired Driving Among Ontario Youth" Speaker 3: Batomen, Brice "Sociodemographic disparities in driving under influence of Cannabis in Ontario, Canada" Speaker 4: Mamri, Asma "Next-generation safe-ride programs: collaborating with ridesharing for greater accessibility"	Session 1: Chairs: TBD Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 21 R – 1 - Simmons, Sarah M and co-authors: "Toward Developing Conceptual and Operational Definitions for DUI (Driving Under the Influence of Cannabis)/Department of Emergency Medicine, University of British Columbia Canada ID:31 R - 2 - Palmiere, Cristian and co-authors: "Fitness-to-drive and cannabis-based medicine prescription: current legal issues in Switzerland laws"/CURML Geneva, Switzerland. ID: 34 R – 3 - Moore, Christine and co-authors: "Prevalence of Drugs and Alcohol Among Drivers of Passenger and Commercial Vehicles in the Yukon - 2024" / 9 Delta Analytical LLC Canada ID: 156 R – 4 - Armstrong, Kerry Ann, and co-authors: "An examination of the characteristics of women who have been apprehended for drink or drug driving in Queensland, Australia"/University of the Sunshine Coast Australia ID: 173 R – 5 - Manning, Brooke, and co-authors: "From AUDIT to Action: Exploring the Intersection of Alcohol Use & Dangerous Driving/Centre for Mental Health & Brian Sciences, Swinburne University of Technology Australia	Session 2: Chairs: TBD Topic: 2 - Worldwide epidemiology and trends of DUI ID: 42R – 1 - Hertach, Patrizia and co-authors "Prevalence and predictors of driving under the influence of alcohol in Switzerland: A mandatory roadside survey" / Swiss Council for Accident Prevention BFU Switzerland ID: 213R: 2 - Meesmann, Uta "ESRA3 results on DUI of alcohol and drugs – international comparison of 39 countries" / Vias Institute Belgium ID: 215R: 3 - Vinckenbosch, Frederick (on behalf of Boets, Sofie Clara Na) and co-authors "Collecting key performance indicators for drink driving in Europe: from Baseline to Trendline" Vias Institute Belgium ID: 292 P or P: 4 - Restolho, José "Drug Driving – An Overview"/Eurofins Forensic Services UK Portugal Topic: 4 - Lowering the BAC Limit for Driving ID: 174R - 5: Van der Berghe, Wouter "International differences in public support for zero tolerance for driving under the influence of alcohol" / Tilkon Research & Consulting Belgium

12:30 AM 2:00 PM	Lunch Break – Poster session and Sponsors Exhibition		
II-Monday 16, 2025- Afternoon (I)			
Time	Conference Main Room	Conference Room 1	Conference Room 2
2:00 PM 3:30 P M	Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians Symposia ID: 167 P <i>Cannabis and Driving: A Global Research Update and Reflections on Policy Progress</i> Chair: Thomas Arkell- Swinburne University of Technology Australia Co-chair: Brendan Hughes- European Union Drugs Agency (EUDA) Speaker 1: Danielle McCartney “The driving behaviours of cannabis users in the Australian Capital Territory following decriminalization” Speaker 2: Milad Delavary “Impacts of Recreational Cannabis Legalization on Road Safety” Speaker 3: Anja Knoche “Cannabis legalization in Germany: effect on consumption behavior and driving. Speaker 4: Jeff Brubacher “THC and Other Drugs in Injured Canadian Drivers - 2025 Update”.	Session 3: Chairs: TBD Topic: 3 - Challenges in Detection and Prevention of alcohol and drug consumption ID: 204R – 1 - Aitken, Blair, and co-authors: “Hungover and Behind the Wheel: Public Attitudes and Incidence of Hangover-Impaired Driving in the Australian Capital Territory” / Centre for Mental Health & Brian Sciences, Swinburne University of Technology Australia ID:209R – 2 - Lin, Alen and co-authors: “Offence or Defence? – The Changing Climate of Illicit Drug Driving Prosecutions in New South Wales, Australia” / Parramatta Australia ID211R - 3 - Achermann Stürmer, Yvonne, and Mathias De Roeck “Pilot Roadside Surveys on Drug-Impaired Driving in Belgium and Switzerland: lessons learn” / Swiss Council for Accident Prevention/VIAS Institute Switzerland; Belgium ID219R – 4 - Berry, Jennifer L, on behalf of Lovestead, Tara M and co-authors. “Stability of THC Concentrations in Baseline Breath Samples from Regular Cannabis Users after Overnight Abstinence from Cannabis Use”./National Institute of Standards and Technology US ID 278R - 5- Jake Rattigan on behalf of Marcotte, Thomas D., and co-authors. “Law enforcement detection of cannabis use: Evaluation of the field sobriety tests”/ Center for Medicinal Cannabis Research (CMCR) US	Session 4: Chairs: TBD Topic: 13 - Education, Communication Strategies and Awareness and their impact on DWI ID: 509P - 1 – Maria do Carmo Martins and co-authors “Enhancing Tractor Safety and Reducing Agricultural Crashes in Portugal: A Preventive Programme” / National Horticultural Technological Operations Center Portugal ID: 207R - 2 Hayley, Amie, and co-authors “Attitudes and behaviours towards driving under the influence of drugs: a multigroup analysis of non-drug users and people who use methamphetamine”/Centre for Mental Health and Brain Sciences, Swinburne University of Technology Australia ID: 294P - 3 - Maria de Fátima Pereira da Silva on behalf of Costa, Isabel Maria Fonseca Pereira “Community-Led Efforts to Foster Safe Driving and Prevent Alcohol-Related Crashes at Celebrations: A Case Study from Alcobaça” / Inoutcister and Union of Parishes of Alcobaça and Vestiaria Portugal ID: 311R - 4 Mutemwa, Jeremiah and Co-authors, “Impact of Community-Based Education on Alcohol and Drug-Related Traffic Incidents in Rural Communities” / YOURS ID: 510P or P - 3 - Ignacio Lijarcio “Education and Communication: Tackling Challenges in Lowering Blood Alcohol Limits in Spain” / Institute on Traffic and Road Safety (INTRAS). Valencia University Spain
3:30 PM 3:45 PM	COFFEE BREAK and Sponsors Exhibition		

III-Monday 16, 2025- Afternoon (II)			
Time	Conference Main Room	Conference Room 1	Conference Room 2
3:45 PM 5:15 P M	Topic: 6 - Impaired Driving Prevention Strategies Symposia ID: 171 P or P <i>Preventative community-based interventions and remedial relicensing programs to reduce impaired driving: Do they work?</i> Chair: Marie Claude Ouimet Université de Sherbrooke Co-chair: Christine Wickens Center for Addiction and Mental Health Speaker 1: Mamri, Asma <i>"Evaluation of a safe-ride program aimed at reducing alcohol-impaired driving crashes: A longitudinal study"</i> Speaker 2: Seyed Sepehr Hashemian <i>"Types of remedial licensing programs for impaired driving"</i> Speaker 3: Marie Claude Ouimet <i>"Objective and subjective measures of alcohol misuse in the prediction of recidivism"</i> Speaker 4: Christine Wickens: <i>"Remedial education for impaired drivers: Evaluating program delivery methods and exploring sex differences"</i>	Session 5: Chairs: TBD Topic: 22 - Other alcohol and drug-related topics in traffic ID: 208P or P – 1 - van der Meulen, Peter and co-authors <i>"Dutch research agenda impaired driving"</i> / Ministry of Infrastructure and Water Management Netherlands ID:224R 2 - Elias, Wafa <i>"Water-pipe smoking and traffic crashes: a hidden aspect of an emerging global epidemic"</i> / Shamoon College of Engineering Israel ID: 276-R 3 - Rattigan, Jake A. and co-authors <i>"Acute cannabis use and driving performance: Accuracy of pre-smoking drug effect expectations"</i> / San Diego State University California US ID: 277R- 4 - Mastropietro, Kyle F. and co-authors: <i>"Are there sex differences in cannabis-associated driving performance and subjective intoxication? The impact of controlling for recent cannabis use patterns and post-smoking blood THC concentrations"</i>/ San Diego USA ID-281P or P – 5 - Guilherme, José Fernando: <i>"Enhancing Road Safety in Large Fleets: Preventing Alcohol and Drug Impairment"</i> / Segef Frotas - Segurança Gestão e Eficiência Portugal	Session 6: Chairs: TBD Topic: 5 - Advancements, Innovations and Solutions on DWI ID: 168-R: 2 - Shiferaw, Brookand and co-authors. <i>"Beyond BAC threshold: Developing a real-time alcohol-induced impairment detection strategy"/Seeing Machines Limited / Fyshwick Australia</i> ID: 189-R - 3 - Liu, Sara, and co-authors <i>"The association between mental health, impulsivity, and sensation-seeking with recent drink-driving: Implications for post-offence management"/ Accident Research Centre, Monash University Victoria, Australia</i> Topic: 1 - Current Trends in Alcohol and Drug Use among drivers and pedestrians ID: 297-R - 4 – Fell, James and co-authors <i>"Trends in Alcohol and Other Drug Involvement in Drivers on the Roads and in Crashes in the United States: 1982-2022"/ Senior Research Consultant US</i>
5:30 PM 6:15 PM	Invited Speaker João Castel-Branco Goulão "Behavioral Change Through Harm Reduction: Lessons from Portugal's Drug Policy for Safer Roads"		
6:30 PM 7:30 PM	General Meeting of ICADTS Members		
7:30 PM 10:30 PM	Prestigious Welcome Reception Gala Dinner Hosted by the Mayor of Alcobaça		

IV-Tuesday 17, 2025- Morning (I)			
9:00 AM 9:45 AM	Invited Speaker Ms. Kristin Smith Global safety and mobility leader " Empowering Safer Choices: How Uber Helps Prevent Drunk Driving and Builds a Culture of Responsibility"-		
	Conference Main Room	Conference Room 1	Conference Room 2
9:50 AM 11:10 AM	Topic 15: Pretrial services for DWI: Key Components & Best Practices worldwide Symposia ID: P or P 148 IDBIIIG Investigation on Impaired Driving Behavioral Interventions around the Globe - Mental Health and Co-occurring Disorders Chair: Tara Casanova Powell Association of Transportation Safety Information Professionals (ATSIP) Co-chair: Julie Seitz Impaired Driving Solutions - A Division of AllRise Speaker 1: Tara Casanova Powell Speaker 2: Seitz, Julie Impaired Driving Solutions - A Division of AllRise Speaker 3: Mark Stodola, American Probation and Parole Association (APPA)	Session 7: Chairs: TBD Topic 14 - Post-Pandemic Challenges: impaired driving during and after COVID-19 ID: 226 R -1- Vingilis, Evelyn and co-authors "Traits, States or Behaviours: What Influenced Increased Driving after Alcohol or Cannabis Use during the COVID-19 Pandemic?" / Western University Ontario, Canada Topic: 9 – Checkpoints, and other deterring methods ID: 197R: 2 - Šeibokaitė, Laura and co-authors "Attitudes towards penalties for driving under the influence of alcohol" Vytautas Magnus University Kaunas, Lithuania ID: 202-R - 3 - Frith; William and co-authors "Cost-effective monitoring of drink driving using Police breath test data" / WSP New Zealand Topic 3 - Challenges in Detection and Prevention of alcohol and drug consumption ID: 290 R- 4 - Sacchi, Dario D. and co-authors: " Cannabis Consumption and Driving Impairment Assessment on a Closed Course" / California Department of Motor Vehicles US 16 - Impaired Driving: sustainability, safe environments and its impact on vulnerable road users ID: 326 R – 5- Yadav, Ankit Kumar "Walking under the influence of alcohol: A theory-based investigation on Indian pedestrians"/ University of Petroleum and Energy Studies (UPES) Uttarakhand, India	Session 8: Chairs: TBD Topic 8 - Requiring vehicle-integrated alcohol detection technology for convicted DWI offenders ID: 179 -R – 1 - Cusack, Denis Anthony, and co-authors "The development of the alcohol ignition interlock programme and medical rehabilitation for drivers with alcohol use disorder in public health medicine and road safety." Forensic & Legal Medicine, Medical Bureau of Road Safety, University College Dublin, Ireland Topic: 11 - Technology Saving Lives ID293 P or P - 2 - Silva, Maria de Fátima Pereira and co-authors, "A Safer Future: Global Innovations in Preventing Drunk and Drugged Driving"/Automotive Coalition for Traffic Safety US/Portugal Topic 22 - Other alcohol and drug-related in traffic ID: 286P – 3 - Maciel Miranda, Luiz Otávio and co-authors, "Comprehensiveness of Brazilian road traffic legislation on the risk factor of drinking and driving: Review and analysis from 1998 to 2024" / Ministry of Health of Brazil Brazil ID: 289R -4 - Oliveira, Gabriela and co-authors, "The consumption of alcoholic drinks and the driving of motor vehicles: An analysis of VIGITEL Editions" / Ministry of Health of Brazil Brazil

11:10 AM- 11:40 AM	COFFEE BREAK and Sponsor's Exhibition		
V-Tuesday 17, 2025- Morning (II)			
	Conference Room 1	Conference Room 2	Conference Room 3
11: 40 AM 1:10 P M	7- Driver Alcohol Detection Systems Symposia ID: 249P <i>Innovative In-Vehicle Alcohol Detection Systems: Benefits and Challenges</i> Chair: Maria de Fátima Pereira da Silva ACTS-Automotive Coalition for Traffic Safety US Co-Chair: Ryan Smith National Transportation Safety Board US Speaker 1: Bud Zaouk KEA Technologies US Speaker 2: Kristin Kingsley ACTS-Automotive Coalition for Traffic Safety - US Speaker 3: James Fell Senior Research Consultant /US Speaker 4: Tara Casanova Powell ATSIP - Association of Transportation Safety Information Professionals - US	Session 9: Chairs: TBD Topic 6 - Impaired Driving Prevention Strategies ID: 177 P -1- Dumschat, Eric Richard and co-authors, “Immediate Roadside Prohibitions – Using Today’s Tools to Create a Better Tomorrow” / MAAD Canada ID 180 P-2- Davey, Jeremy and co-authors, “A Case of Policy Creep: Medical marijuana and pressure on Australian roadside drug testing legislation and enforcement” / University of the Sunshine Coast Australia ID 183 R-3- Fitzharris, Michael and co-authors, “Managing the drug-driver: insights from Victoria's (Australia) population roadside testing program program” / Accident Research Centre, Monash University Australia ID-205 R.- 4- Dawber, Alex Geoffrey, ‘I’ve only had a few, who doesn’t drink drive!’ Deconstructing the Kiwi drink driving ‘culture’./ Queensland University of Technology Australia ID: 220 R - 5 Costa, Samuel, M. Teixeira and co-authors, “Drinking and driving behavior: a study under the theory of planned behavior / Federal District Traffic Department Brazil	Session 10: Chairs: TBD Topic 10 - Drug Testing Technology ID: 172R - 1- Berry, Jennifer L. and co-authors: “Detection of cannabinoids in breath after cannabis-infused edible consumption with two breath collection devices”/ National Institute of Standards and Technology Colorado, US ID:200R - 2- Wolff, Mark and co-authors: “Toxiter: A Rapid, Non-Invasive Technology for Objective Assessment and Quantification of THC-Induced Functional Impairment” / Maryland USA Topic: 17 - Toxicology and DWI ID:193R – 3- Ryan, Benjamin and Mathias De Roeck ““Fantasy” on NSW Roads – The Emergence of Gamma- hydroxybutyrate (GHB) as an Illicit Drug Commonly Detected in Impaired Drivers in NSW, Australia.”/NSW Police Force Australia ID:210R - 4- Vinckenbosch, Frederick and co-authors: “Nitrous oxide; driving performance; recreational drug use; clinical trial; detection”/Maastricht University, Vias Institute The Netherlands Belgium
	Lunch Break – Poster Session and Sponsors Exhibition		

VI - Tuesday 17, 2025- Afternoon (I)			
Time	Conference Main Room	Conference Room 1	Conference Room 2
2:30 PM 4:00 P M	Topic: 17 Toxicology and DWI Symposia ID: 175 P Road Safety Shift: The Impact of Brazil's Alcohol and Drug Control Policy for Drivers Chair: David Duarte Lima - President of the IST-Brazilian Institute of Traffic Safety Brazilia Co-chair: Maria de Fátima Pereira da Silva / Polytechnique University of Coimbra Portugal Speaker 1: Francisco Garonce "Enforcement Challenges and the Implementation of Toxicological Testing in Brazil" Speaker 2: Julyver Modesto "Legal Aspects and Regulatory Challenges in Alcohol and Drug Control for Drivers" Speaker 3: Patrícia Sandri "New Technologies for Detecting Psychoactive Substances in Traffic Safety". Speaker 4: Juliana Guimarães "Psychological Aspects of Driving Under the Influence: Prevention and Rehabilitation Strategies".	Session 11: Chairs: TBD Topic 19 - Responsible Alcohol Beverage Service Training ID: 298 R - 1- Fell, James Carlton and co-authors: "The Effectiveness of Responsible Beverage Service Training Programs: A Literature Review and Synthesis" / Senior Research Consultant US Topic 1- Current Trends in Alcohol and Drug Use among drivers and pedestrians ID:178 R - 2 - Eichelberger, Angela "Prevalence of cannabis, alcohol, and simultaneous use among drivers in U.S. states with and without recreational cannabis laws" / Insurance Institute for Highway Safety US ID:181 P - 3- Houwing, Sjoerd "50 years of drink driving legislation in the Netherlands: Lessons from the past for effective measures in the future" / The Dutch Driver License Agency Netherlands ID:185 R - 4- Colonna, Robert and co-authors, "Establishing Youth's Risk Profiles for Driving Under the Influence of Cannabis" / Western University Canada Topic 18 - DUI and Emerging Challenges for Medical Intervention ID:153 R – 5 - Chua, Sophia Francesca and co-authors: "Length of Hospital Stay (LOS) with DUI among Vehicular Crash Patients Admitted to Major Tertiary Hospitals in the Philippines" / SOLAIR, University of the Philippines Diliman Philippines	Session 12: Chairs: TBD Topic 12 - DWI Challenges in Low- and Middle-Income Countries ID: 298 R-1- Tabibi, Zahra "Impaired Driving Behavioral Interventions in Iran" / Ferdowsi University of Mashhad Iran Topic 22 - Other alcohol and drug-related topics in traffic ID: 152R-2- Lu, Jinky Leilanie Del Prado and co-authors, "Drink Driving and its Effect on Fatalities and Injuries: A Study of Vehicular Crash Patient Charts in Major Trauma Hospitals in the Philippines" / National Institutes of Health, University of the Philippines Manila Philippines ID: 214R-3- Muhamad Syukri, Abdul Khalid and co-authors, "Driving Under Influence (DUI) Crashes and Proposed Solution in Malaysia" / Malaysian Institute of Road Safety Research (MIROS) Malaysia ID: 223R-4- Hassan, Abdulsobur Adedeji and co-authors "Effects of the Usage of Drugs on driver's ability and psychology in Lagos, Nigeria" / Lagos State University, Ojo Nigeria
4:00 PM 4:30 PM	COFFEE BREAK and Sponsors Exhibition
